WASTE MANAGEMENT
PROGRAM

Dear Mr. Okenfuss:

L.O.W. #89-SL.037

Enclosed, please find a report of an inspection conducted by Mr. Dan Bennett of my staff. The section titled "UNSATISFACTORY FEATURES" lists violations noted during the inspection. The "RECOMMENDATIONS" outline the steps the inspector has determined will correct those violations.

In order to document that corrective actions have been taken, you are requested to submit a written response no later than June 16, 1989. The response should describe the steps taken to correct each of the unsatisfactory features identified. Direct this response to my attention. You should also forward a copy of your response and supporting documentation to Ms. Sandra Carrol, Chief - Hazardous Waste Enforcement, Waste Management Program, P.O. Box 176, Jefferson City, MO 65102.

It is our purpose by this letter to persuade you to take all necessary actions to comply with the Missouri Hazardous Waste Management Law. Failure to achieve timely resolution of violations may result in the referral of this case for enforcement action by the Waste Management Program.

Should you have any questions, or wish to confer in this matter, please contact me.

Sincerely,

ST. LOUIS REGIONAL OFFICE
